CONDITIONS OF SALE BY AUCTION

If the property is or is intended to be sold by auction:

Bidders Record means the Bidders Record to be kept pursuant to Clause 18 of the *Property, Stock and Business Agents Regulation 2003* and Section 68 of the *Property, Stock and Business Agents Act 2002*:

- (1) The following conditions are prescribed as applicable to and in respect of the sale by auction of land:
 - (a) The principal's reserve price must be given in writing to the auctioneer before the auction commences.
 - (b) A bid for the seller cannot be made unless the auctioneer has, before the commencement of the auction, announced clearly and precisely the number of bids that may be made by or on behalf of the seller.
 - (c) The highest bidder is the purchaser, subject to any reserve price.
 - (d) In the event of a disputed bid, the auctioneer is the sole arbitrator and the auctioneer's decision is final.
 - (e) The auctioneer may refuse to accept any bid that, in the auctioneer's opinion, is not in the best interests of the seller.
 - (f) A bidder is taken to be a principal unless, before bidding, the bidder has given to the auctioneer a copy of a written authority to bid for or on behalf of another person.
 - (g) A bid cannot be made or accepted after the fall of the hammer.
 - (h) As soon as practicable after the fall of the hammer the purchaser is to sign the agreement (if any) for sale.
- (2) The following conditions, in addition to those prescribed by sub-clause (1), are prescribed as applicable to and in respect of the sale by auction of residential property or rural land:
 - (a) All bidders must be registered in the Bidders Record and display an identifying number when making a bid.
 - (b) One bid only may be made by or on behalf of the seller. This includes a bid made by the auctioneer on behalf of the seller.
 - (c) When making a bid on behalf of the seller or accepting a bid made by or on behalf of the seller, the auctioneer must clearly state that the bid was made by or on behalf of the seller or auctioneer.

WARNING— SWIMMING POOLS

An owner of a property on which a swimming pool is situated must ensure that the pool complies with the requirements of the *Swimming Pools Act 1992*. Penalties apply. Before purchasing a property on which a swimming pool is situated, a purchaser is strongly advised to ensure that the swimming pool complies with the requirements of that Act.

WARNING— SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.
2. The purchaser may rescind the contract at any time before 5 p.m. on the fifth business day after the day on which the contract was made, **EXCEPT** in the circumstances listed in paragraph 3.
3. There is **NO COOLING OFF PERIOD**:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

WARNINGS

1. Various Acts of Parliament and other matters can affect the rights of the parties to this contract. Some important matters are actions, claims, decisions, licences, notices, orders, proposals or rights of way involving:

Australian Taxation Office	NSW Department of Education
Council	NSW Fair Trading
County Council	NSW Public Works
Department of Planning and Environment	Office of Environment and Heritage
Department of Primary Industries	Owner of adjoining land
East Australian Pipeline Limited	Privacy
Electricity and gas authority	Roads and Maritime Services
Land & Housing Corporation	Telecommunications authority
Local Land Services	Transport for NSW
Mine Subsidence Board	Water, sewerage or drainage authority

If you think that any of these matters affects the property, tell your solicitor

2. A lease may be affected by the Agricultural Tenancies Act 1990, the Residential Tenancies Act 2010 or the Retail Leases Act 1994.
3. If any purchase money is owing to the Crown, it may become payable when the transfer is registered.
4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.
5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.
6. The purchaser will usually have to pay stamp duty on this contract. If duty is not paid on time, a purchaser may incur penalties.
7. If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).
8. The purchaser should arrange insurance as appropriate.
9. Some transactions involving personal property may be affected by the Personal Property Securities Act 2009.
10. A purchaser should be satisfied that finance will be available at the time of completing the purchase.
11. Where the market value of the property is \$2 million or more, the purchaser may have to comply with a foreign resident capital gains withholding payment obligation (even if the vendor is not a foreign resident). If so, this will affect the amount available to the vendor on completion.

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal or mediation (for example mediation under the Law Society Mediation Model and Guidelines).

2 Deposit and other payments before completion

- 2.1 The purchaser must pay the deposit to the *depositholder* as stakeholder.
- 2.2 *Normally*, the purchaser must pay the deposit on the making of this contract, and this time is essential.
- 2.3 If this contract requires the purchaser to pay any of the deposit by a later time, that time is also essential.
- 2.4 The purchaser can pay any of the deposit by giving cash (up to \$2,000) or by unconditionally giving a *cheque* to the *depositholder* or to the vendor, vendor's agent or vendor's *solicitor* for sending to the *depositholder*.
- 2.5 If any of the deposit is not paid on time or a *cheque* for any of the deposit is not honoured on presentation, the vendor can *terminate*. This right to *terminate* is lost as soon as the deposit is paid in full.
- 2.6 If the vendor accepts a bond or guarantee for the deposit, clauses 2.1 to 2.5 do not apply.
- 2.7 If the vendor accepts a bond or guarantee for part of the deposit, clauses 2.1 to 2.5 apply only to the balance.
- 2.8 If any of the deposit or of the balance of the price is paid before completion to the vendor or as the vendor directs, it is a charge on the land in favour of the purchaser until *termination* by the vendor or completion, subject to any existing right.
- 2.9 If each *party* tells the *depositholder* that the deposit is to be invested, the *depositholder* is to invest the deposit (at the risk of the *party* who becomes entitled to it) with a *bank*, in an interest-bearing account in NSW, payable at call, with interest to be reinvested, and pay the interest to the *parties* equally, after deduction of all proper government taxes and financial institution charges and other charges.

3 Deposit-bond

- 3.1 This clause applies only if this contract says the vendor has agreed to accept a *deposit-bond* for the deposit (or part of it).
- 3.2 The purchaser must provide the original *deposit-bond* to the vendor's *solicitor* (or if no *solicitor* the *depositholder*) at or before the making of this contract and this time is essential.
- 3.3 If the *deposit-bond* has an expiry date and completion does not occur by the date which is 14 days before the expiry date, the purchaser must *serve* a replacement *deposit-bond* at least 7 days before the expiry date. The time for service is essential.
- 3.4 The vendor must approve a replacement *deposit-bond* if –
- 3.4.1 it is from the same issuer and for the same amount as the earlier *deposit-bond*; and
 - 3.4.2 it has an expiry date at least three months after its date of issue.
- 3.5 A breach of clauses 3.2 or 3.3 entitles the vendor to *terminate*. The right to *terminate* is lost as soon as –
- 3.5.1 the purchaser *serves* a replacement *deposit-bond*; or
 - 3.5.2 the deposit is paid in full under clause 2.
- 3.6 Clauses 3.3 and 3.4 can operate more than once.
- 3.7 If the purchaser *serves* a replacement *deposit-bond*, the vendor must *serve* the earlier *deposit-bond*.
- 3.8 The amount of any *deposit-bond* does not form part of the price for the purposes of clause 16.7.
- 3.9 The vendor must give the purchaser the *deposit-bond* –
- 3.9.1 on completion; or
 - 3.9.2 if this contract is *rescinded*.
- 3.10 If this contract is *terminated* by the vendor –
- 3.10.1 *normally*, the vendor can immediately demand payment from the issuer of the *deposit-bond*; or
 - 3.10.2 if the purchaser *serves* prior to *termination* a notice disputing the vendor's right to *terminate*, the vendor must forward the *deposit-bond* (or its proceeds if called up) to the *depositholder* as stakeholder.
- 3.11 If this contract is *terminated* by the purchaser –
- 3.11.1 *normally*, the vendor must give the purchaser the *deposit-bond*; or
 - 3.11.2 if the vendor *serves* prior to *termination* a notice disputing the purchaser's right to *terminate*, the vendor must forward the *deposit-bond* (or its proceeds if called up) to the *depositholder* as stakeholder.

4 Transfer

- 4.1 *Normally*, the purchaser must *serve* at least 14 days before the date for completion –
- 4.1.1 the form of transfer; and
 - 4.1.2 particulars required to register any mortgage or other dealing to be lodged with the transfer by the purchaser or the purchaser's mortgagee.
- 4.2 If any information needed for the form of transfer is not disclosed in this contract, the vendor must *serve* it.
- 4.3 If the purchaser *serves* a form of transfer and the transferee is not the purchaser, the purchaser must give the vendor a direction signed by the purchaser personally for this form of transfer.
- 4.4 The vendor can require the purchaser to include a form of covenant or easement in the transfer only if this contract contains the wording of the proposed covenant or easement, and a description of the land benefited.

5 Requisitions

- 5.1 If a form of *requisitions* is attached to this contract, the purchaser is taken to have made those *requisitions*.
- 5.2 If the purchaser is or becomes entitled to make any other *requisition*, the purchaser can make it only by *serving* it –
- 5.2.1 if it arises out of this contract or it is a general question about the *property* or title - *within* 21 days after the contract date;
 - 5.2.2 if it arises out of anything *served* by the vendor - *within* 21 days after the later of the contract date and that *service*; and
 - 5.2.3 in any other case - *within* a reasonable time.

6 Error or misdescription

- 6.1 The purchaser can (but only before completion) claim compensation for an error or misdescription in this contract (as to the *property*, the title or anything else and whether substantial or not).
- 6.2 This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.
- 6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

- The purchaser can make a claim (including a claim under clause 6) before completion only by *serving* it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion –
- 7.1 the vendor can *rescind* if in the case of claims that are not claims for delay –
- 7.1.1 the total amount claimed exceeds 5% of the price;

- 7.1.2 the vendor *serves* notice of intention to *rescind*; and
- 7.1.3 the purchaser does not *serve* notice waiving the claims *within* 14 days after that *service*; and
- 7.2 if the vendor does not *rescind*, the *parties* must complete and if this contract is completed –
- 7.2.1 the lesser of the total amount claimed and 10% of the price must be paid out of the price to and held by the *depositholder* until the claims are finalised or lapse;
- 7.2.2 the amount held is to be invested in accordance with clause 2.9;
- 7.2.3 the claims must be finalised by an arbitrator appointed by the *parties* or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a *party* (in the latter case the *parties* are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);
- 7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;
- 7.2.5 net interest on the amount held must be paid to the *parties* in the same proportion as the amount held; and
- 7.2.6 if the *parties* do not appoint an arbitrator and neither *party* requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse.

8 Vendor's rights and obligations

- 8.1 The vendor can *rescind* if –
- 8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;
- 8.1.2 the vendor *serves* a notice of intention to *rescind* that specifies the *requisition* and those grounds; and
- 8.1.3 the purchaser does not *serve* a notice waiving the *requisition* *within* 14 days after that *service*.
- 8.2 If the vendor does not comply with this contract (or a notice under or relating to it) in an essential respect, the purchaser can *terminate* by *serving* a notice. After the *termination* –
- 8.2.1 the purchaser can recover the deposit and any other money paid by the purchaser under this contract;
- 8.2.2 the purchaser can sue the vendor to recover damages for breach of contract; and
- 8.2.3 if the purchaser has been in possession a *party* can claim for a reasonable adjustment.

9 Purchaser's default

- If the purchaser does not comply with this contract (or a notice under or relating to it) in an essential respect, the vendor can *terminate* by *serving* a notice. After the *termination* the vendor can –
- 9.1 keep or recover the deposit (to a maximum of 10% of the price);
- 9.2 hold any other money paid by the purchaser under this contract as security for anything recoverable under this clause –
- 9.2.1 for 12 months after the *termination*; or
- 9.2.2 if the vendor commences proceedings under this clause *within* 12 months, until those proceedings are concluded; and
- 9.3 sue the purchaser either –
- 9.3.1 where the vendor has resold the *property* under a contract made *within* 12 months after the *termination*, to recover –
- the deficiency on resale (with credit for any of the deposit kept or recovered and after allowance for any capital gains tax or goods and services tax payable on anything recovered under this clause); and
 - the reasonable costs and expenses arising out of the purchaser's non-compliance with this contract or the notice and of resale and any attempted resale; or
- 9.3.2 to recover damages for breach of contract.

10 Restrictions on rights of purchaser

- 10.1 The purchaser cannot make a claim or *requisition* or *rescind* or *terminate* in respect of –
- 10.1.1 the ownership or location of any fence as defined in the Dividing Fences Act 1991;
- 10.1.2 a service for the *property* being a joint service or passing through another property, or any service for another property passing through the *property* ('service' includes air, communication, drainage, electricity, garbage, gas, oil, radio, sewerage, telephone, television or water service);
- 10.1.3 a wall being or not being a party wall in any sense of that term or the *property* being affected by an easement for support or not having the benefit of an easement for support;
- 10.1.4 any change in the *property* due to fair wear and tear before completion;
- 10.1.5 a promise, representation or statement about this contract, the *property* or the title, not set out or referred to in this contract;
- 10.1.6 a condition, exception, reservation or restriction in a Crown grant;
- 10.1.7 the existence of any authority or licence to explore or prospect for gas, minerals or petroleum;
- 10.1.8 any easement or restriction on use the substance of either of which is disclosed in this contract or any non-compliance with the easement or restriction on use; or

- 10.1.9 anything the substance of which is disclosed in this contract (except a caveat, charge, mortgage or writ).
- 10.2 The purchaser cannot *rescind* or *terminate* only because of a defect in title to or quality of the inclusions.
- 10.3 *Normally*, the purchaser cannot make a claim or *requisition* or *rescind* or *terminate* or require the vendor to change the nature of the title disclosed in this contract (for example, to remove a caution evidencing qualified title, or to lodge a plan of survey as regards limited title).
- 11 Compliance with work orders**
- 11.1 *Normally*, the vendor must by completion comply with a *work order* made on or before the contract date and if this contract is completed the purchaser must comply with any other *work order*.
- 11.2 If the purchaser complies with a *work order*, and this contract is *rescinded* or *terminated*, the vendor must pay the expense of compliance to the purchaser.
- 12 Certificates and inspections**
- The vendor must do everything reasonable to enable the purchaser, subject to the rights of any tenant –
- 12.1 to have the *property* inspected to obtain any certificate or report reasonably required;
- 12.2 to apply (if necessary in the name of the vendor) for –
- 12.2.1 any certificate that can be given in respect of the *property* under *legislation*; or
- 12.2.2 a copy of any approval, certificate, consent, direction, notice or order in respect of the *property* given under *legislation*, even if given after the contract date; and
- 12.3 to make 1 inspection of the *property* in the 3 days before a time appointed for completion.
- 13 Goods and services tax (GST)**
- 13.1 In this clause, enterprise, input tax credit, margin scheme, supply of a going concern, tax invoice and taxable supply have the same meanings as in the *GST Act*.
- 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.
- 13.3 If under this contract a *party* must make an adjustment, pay an expense of another party or pay an amount payable by or to a third party (for example, under clauses 14 or 20.7) –
- 13.3.1 the *party* must adjust or pay on completion any GST added to or included in the amount; but
- 13.3.2 if this contract says this sale is a taxable supply, and payment would entitle the *party* to an input tax credit, the adjustment or payment is to be worked out by deducting any input tax credit to which the party receiving the adjustment is or was entitled and adding the *GST rate*.
- 13.4 If this contract says this sale is the supply of a going concern –
- 13.4.1 the *parties* agree the supply of the *property* is a supply of a going concern;
- 13.4.2 the vendor must, between the contract date and completion, carry on the enterprise conducted on the land in a proper and business-like way;
- 13.4.3 if the purchaser is not registered by the date for completion, the *parties* must complete and the purchaser must pay on completion, in addition to the price, an amount being the price multiplied by the *GST rate* ("the retention sum"). The retention sum is to be held by the *depositholder* and dealt with as follows –
- if *within 3 months* of completion the purchaser serves a letter from the Australian Taxation Office stating the purchaser is registered, the *depositholder* is to pay the retention sum to the purchaser; but
 - if the purchaser does not serve that letter *within 3 months* of completion, the *depositholder* is to pay the retention sum to the vendor; and
- 13.4.4 if the vendor, despite clause 13.4.1, serves a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.
- 13.7 If this contract says the sale is not a taxable supply –
- 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and

- 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
- a breach of clause 13.7.1; or
 - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –
- 13.8.1 this sale is not a taxable supply in full; or
- 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).
- 13.9 If this contract says this sale is a taxable supply to an extent –
- 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
- 13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.
- 14 Adjustments**
- 14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.
- 14.2 The *parties* must make any necessary adjustment on completion.
- 14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.
- 14.4 The *parties* must adjust land tax for the year current at the *adjustment date* –
- 14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
- 14.4.2 by adjusting the amount that would have been payable if at the start of the year –

- 14.6.1 the amount is to be treated as if it were paid; and
- 14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.
- 14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.
- 15 Date for completion**

- 16.4 The legal title to the *property* does not pass before completion.

 - any amount payable by the vendor to the purchaser under this contract; and
- 16.7.2 any other amount payable by the purchaser under this contract.
- 16.8 If the vendor requires more than 5 *settlement cheques*, the vendor must pay \$10 for each extra *cheque*.
- 16.9 If any of the deposit is not covered by a bond or guarantee, on completion the purchaser must give the vendor an order signed by the purchaser authorising the *depositholder* to account to the vendor for the deposit.
- 16.10 On completion the deposit belongs to the vendor.

- 18.3.2 allow the vendor or the vendor's authorised representative to enter and inspect it at all reasonable times.
- 18.4 The risk as to damage to the *property* passes to the purchaser immediately after the purchaser enters into possession.
- 18.5 If the purchaser does not comply with this clause, then without affecting any other right of the vendor –
- 18.5.1 the vendor can before completion, without notice, remedy the non-compliance; and
- 18.5.2 if the vendor pays the expense of doing this, the purchaser must pay it to the vendor with interest at the rate prescribed under s101 Civil Procedure Act 2005.
- 18.6 If this contract is *rescinded* or *terminated* the purchaser must immediately vacate the *property*.
- 18.7 If the *parties* or their *solicitors* on their behalf do not agree in writing to a fee or rent, none is payable.

- 21.2 If there are conflicting times for something to be done or to happen, the latest of those times applies.
- 21.3 The time for one thing to be done or to happen does not extend the time for another thing to be done or to happen.
- 21.4 If the time for something to be done or to happen is the 29th, 30th or 31st day of a month, and the day does not exist, the time is instead the last day of the month.
- 21.5 If the time for something to be done or to happen is a day that is not a *business day*, the time is extended to the next *business day*, except in the case of clauses 2 and 3.2.
- 21.6 *Normally*, the time by which something must be done is fixed but not essential.

22 Foreign Acquisitions and Takeovers Act 1975

- 22.1 The purchaser promises that the Commonwealth Treasurer cannot prohibit and has not prohibited the transfer under the Foreign Acquisitions and Takeovers Act 1975.

23 Strata or community title

- 23.1 This clause applies only if the land (or part of it) is a lot in a strata, neighbourhood, precinct or community scheme (or on completion is to be a lot in a scheme of that kind).
- 23.2 In this contract –
 'change', in relation to a scheme, means –
- a registered or registrable change from by-laws set out in this contract or set out in *legislation* and specified in this contract;

 'special expenses', in relation to an owners corporation, means its actual, contingent or expected expenses, except to the extent they are normal expenses, due to fair wear and tear, disclosed in this contract or covered by moneys held in the sinking fund.
- 23.3 Clauses 11, 14.8 and 18.4 do not apply to an obligation of the owners corporation, or to property insurable by it.
- 23.4 Clauses 14.4.2 and 14.5 apply but on a unit entitlement basis instead of an area basis.
- 23.5 The *parties* must adjust under clause 14.1 –

- 23.6 If a contribution is not a regular periodic contribution and is not disclosed in this contract –

- 23.8.2 a proportional unit entitlement of the lot or a relevant lot or former lot, apart from a claim under clause 6; or
- 23.8.3 a past or future change in the scheme or a higher scheme.
- 23.9 However, the purchaser can *rescind* if –
- 23.9.1 the special expenses of the owners corporation at the later of the contract date and the creation of the owners corporation when calculated on a unit entitlement basis (and, if more than one lot or a higher scheme is involved, added together), less any contribution paid by the vendor, are more than 1% of the price;
- 23.9.2 in the case of the lot or a relevant lot or former lot in a higher scheme –
- a proportional unit entitlement for the lot is not disclosed in this contract; or
 - a proportional unit entitlement for the lot is disclosed in this contract but the lot has a different proportional unit entitlement at the contract date or at any time before completion; or
- 23.9.3 a change before the contract date or before completion in the scheme or a higher scheme substantially disadvantages the purchaser and is not disclosed in this contract.
- 23.10 The purchaser must give the vendor 2 copies of a proper form of notice of the transfer of the lot addressed to the owners corporation and signed by the purchaser.

- a disclosure statement required by the Retail Leases Act 1994 was not given when required;
 - such a statement contained information that was materially false or misleading;
 - a provision of the lease is not enforceable because of a non-disclosure in such a statement; or
 - the lease was entered into in contravention of the Retail Leases Act 1994.
- 24.4 If the *property* is subject to a tenancy on completion –
- 24.4.1 the vendor must allow or transfer –
- any remaining bond money or any other security against the tenant's default (to the extent the security is transferable);
 - any money in a fund established under the lease for a purpose and compensation for any money in the fund or interest earned by the fund that has been applied for any other purpose; and
 - any money paid by the tenant for a purpose that has not been applied for that purpose and compensation for any of the money that has been applied for any other purpose;
- 24.4.2 if the security is not transferable, each *party* must do everything reasonable to cause a replacement security to issue for the benefit of the purchaser and the vendor must hold the original security on trust for the benefit of the purchaser until the replacement security issues;

- 24.4.5 the purchaser must comply with any obligation to the tenant under the lease, to the extent that the obligation is disclosed in this contract and is to be complied with after completion.

- 25.6.1 in this contract 'transfer' means conveyance;
 - 25.6.2 the purchaser does not have to *serve* the form of transfer until after the vendor has *served* a proper abstract of title; and
 - 25.6.3 each vendor must give proper covenants for title as regards that vendor's interest.
- 25.7 In the case of land under limited title but not under qualified title –
- 25.7.1 *normally*, the abstract of title need not include any document which does not show the location, area or dimensions of the land (for example, by including a metes and bounds description or a plan of the land);
 - 25.7.2 clause 25.7.1 does not apply to a document which is the good root of title; and
 - 25.7.3 the vendor does not have to provide an abstract if this contract contains a delimitation plan (whether in registrable form or not).
- 25.8 The vendor must give a proper covenant to produce where relevant.
- 25.9 The vendor does not have to produce or covenant to produce a document that is not in the possession of the vendor or a mortgagee.
- 25.10 If the vendor is unable to produce an original document in the chain of title, the purchaser will accept a photocopy from the Registrar-General of the registration copy of that document.

 - 27.6 If consent is not given or refused –
 - 27.6.1 *within 42 days* after the purchaser *serves* the purchaser's part of the application, the purchaser can *rescind*; or
 - 27.6.2 *within 30 days* after the application is made, either *party* can *rescind*.
 - 27.7 If the *legislation* is the Western Lands Act 1901 each period in clause 27.6 becomes 90 days.

 - 28.4 Either *party* can *serve* notice of the registration of the plan and every relevant lot and plan number.

29 Conditional contract

29.1 This clause applies only if a provision says this contract or completion is conditional on an event.

29.2 If the time for the event to happen is not stated, the time is 42 days after the contract date.

29.3 If this contract says the provision is for the benefit of a *party*, then it benefits only that *party*.

29.4 If anything is necessary to make the event happen, each *party* must do whatever is reasonably necessary to cause the event to happen.

29.5 A *party* can *rescind* under this clause only if the *party* has substantially complied with clause 29.4.

30.1.2 the purchaser serves a notice that it is an *electronic transaction* within 14 days of the contract date.

30.2 However, this *Conveyancing Transaction* is not to be conducted as an *electronic transaction* if, at any time after it has been agreed that it will be conducted as an *electronic transaction*, a *party* serves a notice that it will not be conducted as an *electronic transaction*.

30.3 If, because of clause 30.2, this *Conveyancing Transaction* is not to be conducted as an *electronic transaction* –

30.3.1 each *party* must –

- bear equally any disbursements or fees; and
- otherwise bear that *party's* own costs;

associated with the agreement under clause 30.1; and

30.3.2 if a *party* has paid all of a disbursement or fee which, by reason of this clause, is to be borne equally by the *parties*, that amount must be adjusted under clause 14.2.

30.4 If this *Conveyancing Transaction* is to be conducted as an *electronic transaction* –

30.4.1 to the extent, but only to the extent, that any other provision of this contract is inconsistent with this clause, the provisions of this clause prevail;

30.4.2 *normally*, words and phrases used in this clause 30 (italicised and in Title Case, such as *Electronic Workspace* and *Lodgment Case*) have the same meaning which they have in the *participation rules*;

30.4.3 the *parties* must conduct the *electronic transaction* in accordance with the *participation rules* and the *ECNL*;

30.4.4 a *party* must pay the fees and charges payable by that *party* to the *ELNO* and the *Land Registry* as a result of this transaction being an *electronic transaction*;

32 Default in Completion

- 32.1 It is hereby expressly agreed and declared that at any time after 3:00pm on the completion date referred to in this Contract either party shall be entitled to serve upon the other a Notice to Complete this Contract requiring the other party to complete the same within such period or upon such date as the said notice may specify but being a minimum of fourteen (14) days from the date of service of such notice making such time for settlement of the essence of the Contract. The parties acknowledge that the time for settlement of the Contract therein specified shall be reasonable and of the essence of the Contract and the receiving party shall not be entitled to make any objection thereto. If the receiving party shall fail to comply with the same the other party shall forthwith be entitled to terminate this Contract provided however that the sending party shall be at liberty at any time to withdraw the said notice without prejudice to his continuing right to give any further such notice.
- 32.2 If this Contract is not completed by the completion date then the Purchaser must pay interest on the unpaid balance of the price at the rate of 9% per annum calculated daily from and including the completion date but excluding the actual day of settlement, and:
- 32.2.1 The interest must be paid on completion;
- 32.2.2 The Vendor is not obliged to complete unless that interest is paid;
- 32.2.3 Interest payable pursuant to this Special Condition is a genuine pre-estimate of the Vendor's loss as a result of the Purchaser's failure to complete in accordance with this Contract;

33 Acceptance of Present Condition

- 33.1 The Purchaser acknowledges that it is purchasing the property in its present condition and state of repair (both patent and latent) and subject to any infestation and dilapidation and whether or not affected by insect or pest and whether or not any of the improvements upon the property are subject to or insured under the provisions of the Builders Licensing Act 1971 (NSW), the Home Building Act 1989 (NSW) or the Building Services Corporation Act 1989 (NSW), and the Purchaser will raise no objection, requisition or claim for compensation in respect of such matters.

36 Death or Incapacity

- 36.1 Without in any manner negating limiting or restricting any rights or remedies available to either party at law or in equity had this clause not been included, should either party (or, if more than one, any of them) die, become mentally ill, become insolvent or appoint or suffer the appointment of a trustee in bankruptcy, receiver, receiver/manager, voluntary administrator or liquidator, then the other may rescind at any time thereafter.

- 37.2 In the event settlement does not take place at the scheduled time, or does not take place at a re-arranged time on that same day, due to default of the Purchaser or their Mortgagee and through no fault of the Vendor, in addition to any other monies payable by the Purchaser on completion of this Contract, the Purchaser must pay an additional \$275.00 (GST inclusive) on settlement, to cover the legal costs and other expenses incurred as a consequence of the delay.

 - 38.1.2 Guarantees (jointly and severally) the due performance of the Purchaser in relation to its obligations pursuant to the terms of this contract in every respect as if he or she had personally entered into this contract himself/herself.

39 Transfer

- 39.1 The Purchaser hereby agrees that they will allow the amount of \$110.00 (GST inclusive) on settlement, if the Transfer is not served to the Vendor's Solicitor 14 days prior to the agreed settlement date to cover the cost of the Vendor's Solicitor preparing their own.

40 Alterations to Contract

- 40.1 The Vendor and Purchaser each authorise their Solicitor or Licensed Conveyancer (or any employee of that Solicitor or Licensed Conveyancer) to make alterations to the Contract as agreed to between the parties (including the addition of annexures) at any time after execution of this Contract by the party, up until the date of this Contract.
- 40.2 Any such alteration or addition shall be binding upon the relevant party deemed hereby to have authorised the same as if the alteration or addition of annexures was made prior to the contract being signed by that party.

Important information

Who is protected by a clearance certificate?

A clearance certificate states whether there is any land tax owing on a property.

The clearance certificate protects a purchaser from any outstanding land tax liability by a previous owner. It does not provide any protection to the owner of the land.

Why is the certificate clear from land tax?

The certificate may be issued as 'clear' if:

- the land is not liable or is exempt from land tax
- the tax has been paid
- the Chief Commissioner is satisfied payment of the tax is not at risk, or
- the owner of the land failed to lodge a land tax return when it was due and the liability had not been detected when the certificate was issued.

Note: A clear certificate does not mean that land tax was not payable or that there is no land tax adjustment to be made on settlement, if the contract for sale allows for it.

Why is the certificate not clear from land tax?

Under section 47 of the *Land Tax Management Act 1956*, land tax is a charge on land owned in NSW at midnight on 31 December of each year. The charge applies from the taxing date and does not depend on the issue of a land tax assessment notice. Land tax is an annual tax so a new charge may occur on the taxing date each year.

How do I clear a certificate?

To remove a charge from a clearance certificate the outstanding tax must be paid. To do this the owner should follow the steps shown on the certificate or contact OSR if no instructions are shown.

You should allow 10 working days to process a request.

How do I get an updated certificate?

A certificate can be updated by using our online clearance certificate update service at www.osr.nsw.gov.au/taxes/land/clearance or reprocess the certificate through your Client Service Provider (CSP).

Please ensure you have allowed sufficient time for any payment to be processed prior to requesting a new version of the clearance certificate.

Land value, tax rates and threshold

The taxable land value shown on the clearance certificate is the value that is used by OSR when assessing land tax.

Details on land tax threshold and rates, as well as the land tax calculator and examples are available at www.osr.nsw.gov.au/taxes/land

Swimming Pool owners will be required to self-assess, and state in the register that, to the best of their knowledge, their swimming pool complies with the applicable standard when registering their pool.

This Swimming Pool Safety Barrier Inspection will be conducted pursuant to and accordance with: Swimming Pools Regulation 2008 under The Swimming Pools Act 1992 Australian Standards AS 1926.1. 2012, Swimming pool safety, and AS 1926.2. 2012 Part 2: Location of safety barriers for swimming pools, It should be noted that the provisions of this Standard relate to barriers that are intended to be child resistant but not childproof, as effectiveness of the barrier is very much dependent on its location, installation and maintenance.

The Swimming Pools Act

In NSW, private swimming pool safety is legislated by the Swimming Pools Act 1992 (Swimming Pools Amendment Act 2012) the Act and the Swimming Pools Regulation 2008 (the Regulation). The legislation also applies to movable dwellings, hotels and motels, shared and non-shared swimming pools.

The Swimming Pools Amendment Act 2012 prescribes the fencing requirements of backyard swimming pools in NSW. Some other safety requirements are prescribed including the requirement for a CPR sign to

be displayed near the pool.

The Swimming Pools Regulation

The *Swimming Pools Regulation 2008* was re-made on 1 September 2008. It calls up *AS1926.1-2012 Swimming Pool Safety, Part 1: Safety barriers for swimming pools*, which includes new requirements for non-climbable zones, mesh sizes for fences, retaining walls that form part of a barrier and balconies that project into the pool area.

On 1 May 2011 the *Swimming Pools Regulation* was amended to replace certain references to the Australian Standard 1926.1-2012 Part 1: Safety barriers for swimming pools (the standard) with references to the Building Code of Australia (BCA). The BCA in turn will refer to the Standard.

The Regulation also requires that councils and the Division have the following documentation available for public inspection at no cost:

- **Guideline 8 Cardiopulmonary Resuscitation** - This Guideline is available at the Australian Resuscitation Council website at www.resus.org.au <<http://www.resus.org.au/>>. By registering at the website visitors can access and print the guideline free of charge. Councils and others should consider subscribing as this will allow them to access an extensive range of related material.
- **AS1926.1-2012, Australian Standard Swimming Pool Safety Part 1: Safety barriers for swimming pools** - This Standard (as amended 5 May 2008) is available for purchase at www.saiglobal.com <<http://www.saiglobal.com/>>.
- **Building Code of Australia** - the Division and councils are required to make available a copy of the BCA for free public inspection.

The Australian Standard

For copyright reasons, the Division cannot make copies of the Australian Standard, AS1926.1-2012 *Swimming Pool Safety, Part 1: Safety barriers for swimming pools*, available to councils or other persons or bodies.

It is important to note that the maximum requirement of the clause as it relates to the Standard is that the Division and councils allow members of the public to attend any of their respective offices, libraries or outlets to look at (but not print or take any copy away of) the Standard during ordinary business hours. If any body or agency exceeds this maximum standard, this may raise serious copyright implications for that agency or body.

If councils or others wish to allow public inspection of the Standard in any way other than by personal inspection at offices, branches or outlets, they must first contact SAI Globals copyright section for further information to ensure that copyright of the Standard is not breached. SAI Global may be contacted on (02) 82066355.

The Regulation refers to AS1926.1-2012 as published on 6 November 2012 as the relevant Standard. The 5 May 2008 version may be used for reference purposes as it corrects typographical errors and makes minor clarification to the 12 July 2007 version of the Standard.

Conveyancing (Sale of Land) Regulation 2010

Amendments made to the Conveyancing (Sale of Land) Regulation 2010 mean that from 1 September 2010 contracts for the sale of land must include a warning in relation to a land owner's obligations under the Swimming Pools Act 1992 which states that:

"An **owner of a property** on which a swimming pool is situated must ensure that the pool complies with the requirements of the *Swimming Pools Act 1992*. Penalties apply. Before purchasing a property on which a swimming pool is situated, a **purchaser** is strongly advised to ensure that the swimming pool complies with the requirements of that Act."

Residential Tenancies Act 2010

Section 52 of the Residential Tenancies Act provides that a landlord must comply with a landlords statutory obligations relating to the health or safety of the residential premises. Section 52 includes the

following note:

"Note. *Such obligations include obligations relating to swimming pools under the Swimming Pools Act 1992.*"

This note makes it explicit that, in accordance with the Swimming Pools Act, a landlord must ensure that a swimming pool situated on a tenanted premises must be at all times surrounded by a child-resistant barrier that separates it from any residential building on the premises and from any public or private place adjoining the premises. The barrier must be designed, constructed, installed and maintained to the standards prescribed in the swimming pools legislation applicable at the time the pool was constructed or installed, unless it has been substantially altered. In this case, the standard applicable at the time the barrier was altered applies. Landlords should contact their local council in relation to the appropriate barrier standard that applies to their rental property pool.

Tenants are urged to notify landlords immediately of any damage they detect to any barrier surrounding a pool on a residential property that they are renting. Tenants are also reminded that section 64 of the Act enables tenants to carry out urgent repairs and be reimbursed up to \$1,000 for any fault or damage that causes the premises to be unsafe under certain circumstances, including if the landlord or agent cannot be contacted or does not carry out urgent repairs within a reasonable time.

Drowning is the equal leading cause of accidental death in very young children to five years of age who lack the cognitive and water skills to deal with the danger.

With over 300,000 backyard swimming pools in NSW, swimming pool safety is a vital issue that affects the whole community.

In 2012, a comprehensive review of the Swimming Pools Act 1992 was finalised (Swimming Pools Amendment Act 2012). This review identified a number of amendments designed to enhance the safety of children under the age of five years around private (backyard) swimming pools in NSW.

The Swimming Pools (Amendment) Act 2012

- **NSW Swimming Pools Register available for use by 29 April 2013**
- **NSW Swimming pools to be registered by owners by 29 October 2013**
- **Pool owners require a compliance certificate before sale or lease of their property from 29 April 2016**

The Swimming Pools Amendment Act 2012 commenced on 29 October 2012 and makes a number of amendments to the Swimming Pools Act 1992: Information is provided below regarding the impact of these legislative amendments for pool owners and councils. Additional information about the staged implementation provisions is also provided below.
